From Attendance to Payroll — **Fully Automated, Fully Transparent**

Trusted HR Solution

Built for Growing Organizations

The Challenges You Face Today

Scattered Data

Attendance in one place,
leave in Excel,
payroll in another system

Manual Payroll Stress

5-7 days every month
reconciling attendance
before salary

Approval Delays

Paper forms,
WhatsApp requests,
no audit trail

No Real-Time Visibility

HR and management
can't see who's in,
who's on leave today

Organizations lose **15-20** hours per week
on manual HR tasks

One Platform. Every HR Need.

 **35+**
Integrated Features

 **1**
Unified Dashboard

 **0**
Paper Processes

Measurable Business Impact

80%

Faster Payroll Processing

Month-end salary ready in hours, not days

95%

Attendance Accuracy

Biometric capture eliminates manual errors

100%

Approval Audit Trail

Every leave, OT, permission digitally tracked

60%

Less HR Admin Time

Automation handles accruals, reminders, reports

Real-Time Dashboard

Know your workforce status instantly

Zero

Duplicate Data Entry

Attendance flows directly into payroll

Module 1: Employee Management

Your Complete People Database

Onboard →

Manage →

Develop →

Exit

What it does for your business

Single source of truth for every employee record

Digital onboarding with customizable forms

Track promotions, transfers, and career changes

Manage company assets assigned to staff

Automated birthday wishes — build culture effortlessly

Resignation workflow with automatic account closure

**Reduce onboarding
paperwork by 70% —
everything digital
from day one**

Module 2: Attendance — Know Who's Working, Always

Employee Punches In

System Records Automatically

Shift & Status Calculated

Monthly Summary Ready

Biometric devices sync attendance in real-time — no manual registers

Late arrivals and early departures tracked automatically with grace rules

Multi-shift support for factories and 24/7 operations

HR resolves conflicts digitally — no more confusion disputes

Live attendance board — see who's in office right now

Eliminate
100%
of manual
attendance registers

BEFORE

3 hrs/day
reconciliation

AFTER

Fully
automatic

Module 3: Leave & Approvals — No More Paper Chasing

COVERS

Casual Leave

Sick Leave

Earned Leave

On-Duty (field work)

Compensatory Off (CCL)

BUSINESS BENEFITS

- Employees apply from phone or desktop — anytime, anywhere

- Managers approve with one click — no physical forms

- Leave balances always accurate — no manual ledger mistakes

- Complete history for audits and compliance

- On-duty tracking with location for field staff accountability

Approval time reduced from **2-3 days** to **under 4 hours**

Module 4: OT, Permissions & Gate Pass

OVERTIME

Extra hours detected

Employee/HOD requests

Approved

Added to payroll automatically

PERMISSIONS

Short leave request

QR gate pass generated

Security verifies at gate

No unauthorized exits

COMPENSATORY OFF

Work on holiday

CCL credited automatically

Use as leave later

BUSINESS VALUE

Fair overtime tracking — employees paid correctly, company controls costs

Security gate integration — know exactly who left and when

Department permission limits enforced automatically

Cut unauthorized gate exits by
90%
with digital QR verification

Module 5: Shifts, Roster & Holidays

SHIFTS

Define morning, evening, night shifts — assign to departments or individuals

Shift Definitions

Shift	Time	Description	Color
Morning Shift	06:00 AM – 02:00 PM	Day start shift	Green
Evening Shift	02:00 PM – 10:00 PM	Evening shift	Orange
Night Shift	10:00 PM – 06:00 AM	Overnight shift	Purple

ROSTER

Plan who works which day — auto-sync with attendance

	< May 12 – May 18, 2025 >							Auto-sync: ON
Employee	Mon 12	Tue 13	Wed 14	Thu 15	Fri 16	Sat 17	Sun 18	
Amit Sharma Production	M	M	M	M	E	OFF	OFF	
Neha Verma Support	E	E	E	E	E	M	OFF	
Ravi Patel Security	N	N	N	N	N	N	OFF	
Pooja Singh Logistics	M	M	E	E	M	M	OFF	
Arjun Mehta Production	M	OFF	M	M	E	OFF	OFF	

✓ Roster changes reflect instantly in attendance and leave tracking.

HOLIDAYS

Set organization-wide or department-specific holidays — half-day support included

Date	Holiday	Scope	Type
May 1, 2025 (Thu)	Labour Day	Organization	Full Day
Aug 15, 2025 (Fri)	Independence Day	Organization	Full Day
Oct 2, 2025 (Thu)	Gandhi Jayanti	Organization	Full Day
Nov 5, 2025 (Wed)	Diwali (Half Day)	Organization	Half Day (PM)
Dec 25, 2025 (Thu)	Christmas	Organization	Full Day
Jan 26, 2026 (Mon)	Republic Day	Organization	Full Day

Department-Specific Example

Jul 10, 2025 (Thu)	Plant Maintenance Day	Production	Half Day (AM)
--------------------	-----------------------	------------	---------------

BUSINESS IMPACT

No scheduling conflicts — roster visible to everyone

Half-day holidays handled correctly in attendance and payroll

Automated holiday greetings to employees — improves engagement

Confused shift alerts — HR fixes issues before payroll

Scheduling errors
drop to
near zero
with digital roster

Module 6: Payroll — From Attendance to Salary, Automatically

Monthly
Attendance

Pay Register
Review

HR Locks
Summary

Payroll
Calculated

Payslips
Released

Salary structures tailored to your organization

PF, ESI, Professional Tax — statutory compliance built-in

Loans and advances deducted automatically each month

Arrears, bonuses, and one-time adjustments handled cleanly

Second salary cycle support if needed

Employees download payslips from their portal

80%

reduction in
payroll processing
time

BEFORE

5-7 days manual
calculation, Excel errors,
employee disputes

AFTER

Same-day payroll ready,
audit-proof, self-service
payslips

Module 7: Organization & Access Control

What it does:

- ✓ Mirror your real company structure in the system
- ✓ Set different approval rules per division — flexible for multi-campus
- ✓ Department-level HR policies: late limits, permission caps, auto-deductions
- ✓ Role-based access: Employees see only their data, HODs see their team, HR sees all
- ✓ Multiple workspaces — one person can be Employee + HOD + HR simultaneously

Business benefit:

Right people see right data — full security, zero information leakage

Stat:

Support unlimited divisions, departments, and employee groups

Employee Self-Service Portal — Empower Your Team

Business Impact for Management

70% fewer calls and visits to HR for basic queries

Employees take ownership of their records

Faster request submission — no waiting for office hours

Higher employee satisfaction and transparency

HR team handles **3x** more strategic work, less routine queries

Dashboards, Reports & Real-Time Visibility

Reports available:

- Attendance reports — daily, monthly, department-wise
- Leave balance and utilization reports
- Payroll summary and paysheet exports
- Export to Excel and PDF for management meetings

Automated notifications:

- Birthday wishes to employees
- Leave accrual reminders
- Approval pending alerts to managers
- Holiday greetings

Business value:

Management decisions backed by live data — not last month's Excel sheet

Stat:

Generate any HR report in under **2 minutes**

Your ROI — What You Save Every Month

TIME SAVED

40+
hours/month

HR team time freed from
manual attendance
and payroll

ERROR REDUCTION

95%
fewer payroll disputes

accurate biometric +
automated calculation

COMPLIANCE

100%
audit-ready records

every approval and
transaction logged
digitally

COST CONTROL

Track OT,
permissions,
loans automatically

no salary leakage

Comparison	Manual Process Monthly Cost	LI-HRMS Monthly Cost
	High admin hours + errors + disputes	Fraction of admin time + accuracy + employee trust

Typical ROI achieved within first 3 months of go-live
